16TH GENERAL ASSEMBLY
CHURCH OF THE NAZARENE

Marching

**IN THE POWER
OF THE SPIRIT**

Welcome

TO THE SIXTEENTH
**GENERAL
ASSEMBLY**
PORTLAND, OREGON, 1964

Our people are gathered together in Portland, Oregon, this beautiful city of roses, from far and near revealing our world-encircling task. This meeting, under God, should be one of spiritual uplift and challenge. Only those who accept the divine word to go have a right to the divine assurance of His accompanying presence.

We want more than the status quo. There is business to be done in the Master's name. With God's help we should be able to say again and again throughout these business sessions, "It seemeth good unto the Holy Ghost and to us." We are here for Marching Orders. We want to go Forward.

Our faith and our judgment must meet in specific goals. Our methods should be consonant with our day of service. David Livingstone's simple word is good for this Sixteenth General Assembly, "You don't know what you can do until you try."

In His name.

THE GENERAL BOARD — CHURCH OF THE NAZARENE consists of 33 members elected by the General Assembly from the seven geographical zones into which the church is divided. Equal representation of lay and ministerial membership is provided.

This Board continues through the four years following its election at the General Assembly and meets annually to hear reports from the General Superintendents, the general officers, and the executive secretaries of the various departments.

To this board each year the General Treasurer presents a carefully prepared audit, by a public accountant, showing the receipts and expenditures of funds for the fiscal year. The members of the board also review the budgets presented by the several departments as recommended by the Finance Committee and adopts the budget they feel justified in light of the expected income.

This board, widely representative of the denomination, is the interim body chosen by the General Assembly to govern the business affairs of the church during the quadrennium. It is presided over by the several general superintendents during the annual session held each January in Kansas City, Missouri.

B. Edgar Johnson

Preparation for the General Assembly must begin at least two years before the date of convening. Dr. S. T. Ludwig, who served as General Secretary until his death on March 3, 1964, spent many hours directing the planning. He is shown conferring with Marlow Salter, Co-ordinator of General Assembly details. At his death, B. Edgar Johnson was chosen by the General Board to succeed Dr. Ludwig.

Karol Porter, secretary to the General Secretary, greets visitors at the reception area in the general office. In addition to other duties, many letters are prepared and sent from her desk each year.

Joan Cowley, secretary to Mr. Hodges, gathering supplies and getting them ready to send to each of our seventy-six district secretaries. In addition to normal secretarial duties, she assists in arranging railroad and plane schedules and writing tickets for the General Superintendents in their travels across the nation — a transportation service we render to all executives and staff members at the International Center of the Church of the Nazarene.

General Secretary

R. R. Hodges, office manager, checking statistics with Marilynn Falk, secretary. The gathering of statistics from more than 5,000 Churches of the Nazarene; compiling, verifying, and recording them is an important service to the church. By research, survey, and analysis, the progress and development of our denomination can be measured.

Pictured on the table are: (1) the original gavel used by Dr. P. F. Bresee, founder of the Church of the Nazarene in the West, at the uniting General Assembly held at Pilot Point, Texas, in 1908; (2) a copy of the first Nazarene "Manual" dated in 1895; (3) saddle bags used by Uncle Bud Robinson in the Texas cow country about the time he was converted. To preserve historical records and artifacts for future generations and for the scholar-historian who wishes to truly reflect our holiness heritage — this is an ongoing task. A display area at Headquarters is now being developed.

Cathryn Dudney answering a call for information about the correct address of one of our ministers. Care in properly recording names, addresses and classification of more than 8,000 Nazarene ministers is one of our important office functions.

During the quadrennium the General Treasurer and his staff have kept in mind that Kingdom work can best be done in the power of the Spirit. We are thankful for His presence and for His guidance in all of our efforts to better serve our beloved Zion.

We not only have sensed the power of His Spirit in our own work but we have seen it operating in the giving of Nazarenes everywhere. God has answered the prayer of those Nazarenes who said, "Let Thy Spirit fall on me."

THE COLLEGES SERVING . . .

Eight colleges are supported by the church, six in the United States, one in Canada, one in the British Isles, and Nazarene Theological Seminary, graduate school for the training of ministers, missionaries, and Christian workers, located in Kansas City, Missouri. These institutions of the church have a clear-cut purpose: (1) To provide quality education in an atmosphere that is spiritually motivated and that keeps eternal values in focus, and; (2) to lead young people to Christ so that, whatever vocation they pursue, they will be examples of Christian faith and service.

THE COLLEGES TRAINING . . .

22,500 students have been enrolled in our colleges and the Seminary for the past four years. Of this number about 7,000 have been trained for full-time Christian service as pastors, evangelists, missionaries or

Christian workers. Many thousands more are being trained for the various vocations of life such as doctors, lawyers, teachers, businessmen, scientists, technicians. Some of the graduates are already working in these respective fields and giving a good account of their stewardship. Of the 126 missionaries which have been appointed by the General Board the last four years, 120 have graduated or attended one or more of our educational institutions. As we GIVE of our time, prayer, students, and money, we will make it possible for our church to LIVE into the next generations and so fulfill our God-appointed mission!

CHURCH DEVELOPMENT

IN THE POWER OF THE SPIRIT...

New Church Development

Keeping pace with the accelerating population growth, 2,250 new churches have been organized in the last 16 years.

In an age of rapid, revolutionary change, new churches must be adapted to a new age, and the church is losing out if its growth does not exceed the population gain.

Home Missions in the next quadrennium faces the challenge of megalopolis,

bedroom suburbs, inner city deterioration, racial shifts, high rise apartment communities, senior citizen cities, and unemployed, bewildered youth.

This challenge we shall meet IN THE POWER OF THE SPIRIT, assured that the message of the Gospel, bringing salvation for the whole of man, is sufficient to meet every man's need.

One out of every two churches has less than fifty members. More than half of these were organized over ten years ago. Many of these can find the key to growth and advancement.

Three years ago the Small Church Achievement Program was initiated to encourage small churches to move ahead for God. The outstanding small church (less than 50 members) on each district is awarded a plaque provided by the Department of Home Missions.

PAUL SKILES
General Secretary

The central mission of the Church of the Nazarene is Evangelism. To offer Christ — in His fullness — to all. It is the basic purpose of the Nazarene Young People's Society to effectively prepare young people for, and involve them in, the fulfillment of this mission.

There is a great restlessness among us, a sense of impatience with any suggestion or plan that stands between us and a headlong plunge into the mainstream of prayer, witnessing, and faith, that will help make this church of ours the redemptive force it must be today.

Theme for 1964-68

Into the Word

... on to the world

We've really got a world on our hands. A frightened, frightening world. A dangerous rebel. God gave it a wonderful start. Sin has all but finished it off. Yet He says in no uncertain terms to those who follow Him: "Look, there it is— My world. It needs you to remind it of Me. Change it. Win it back. Make a difference— because of Me and what I mean to you. And be sure to take My Word with you when you go. You'll need it. Your own is not enough."

And so the N.Y.P.S. is calling, first, for a renewed emphasis upon the Bible as our guide for life. Intensive study of its truths must not be postponed. Persistent, personal pursuit of God's will as revealed to us in His Word is imperative.

But this going "Into the Word" is not the end. Not at all. In fact, it's just the beginning. For we are compelled to move on to our shattered world with the good news of God's love.

Here our word is so inadequate but His so indispensable. His Word is full of faith for a world full of fear; full of strength for a world full of sadness; full of grace for a world full of guilt. It's all there. It's there for us and for those who wait for us to bring it.

So now, not in our own strength, but "in the power of the Spirit" we go— "Into the Word . . . on to the world."

Looking Ahead to a Great

QUADRENNIUM

WE MUST EVANGELIZE MORE — The 1964-68 quadrennium will be a momentous one, with a definite challenge to evangelism, "In the Power of the Spirit."

I challenge every Nazarene Church to surge forward in all-out evangelism during this new quadrennium, using this FIVE-POINT PLAN OF OUTREACH AND INGATHERING.

1. EVERY NAZARENE CHURCH pray and fast for souls to be saved, sanctified and brought into the church.
2. EVERY NAZARENE CHURCH establish a budget for evangelism in their local church.
3. EVERY NAZARENE CHURCH have at least one evange-

4. EVERY NAZARENE CHURCH strengthen and enlarge their door-to-door outreach and visitation program.
5. EVERY NAZARENE CHURCH undertake the distribution of Gospel tracts and literature as a means of reaching this generation with the Gospel.

God is vitally interested in the unreached, the unchurched — are we? Holiness evangelism is close to the heart of God. We must evangelize MORE “In the Power of the Spirit,” and thus share in the harvest of evangelism during 1964-68.

OF THE SPIRIT

Churches and Pastors Are Served Through These Department Services:

MASS EVANGELISM

- Striving to dignify the office and ministry of the full-time evangelist.
- Majoring on the importance of using full-time evangelists.
- Making available on request the “Evangelists’ Open Date Listing.”
- Upon request, the Department will plan and organize simultaneous local church revivals, and city-wide evangelistic campaigns.
- Sponsoring the publishing of evangelistic books, literature and tracts.

PERSONAL EVANGELISM

- Inspiring members of local churches to zeal in soul winning through intercessory prayer and personal witnessing.
- Challenging the local churches with plans to enlist the entire membership in personal soul winning.
- Co-operating with other general church departments and the Nazarene Publishing House in the preparation of visitation evangelism materials for the use of local churches.

MOVING NAZARENES

The following is from the 1960 *Manual, Church of Nazarene*:

“When a member or friend of a local church or any of the departments of the church moves to another locality . . . beyond the assembly district, the local pastor shall immediately inform the Moving Nazarenes Service of the Department of Evangelism, 6401 The Paseo, Kansas City, Missouri, giving the name and new address.”

The Department of Evangelism has set up adequate procedures to carry out their duty to “Moving Nazarenes.”

The Department of Ministerial Benevolence and Board of Pensions

- Providing monthly benefits for retired elders and widows
- Granting emergency medical and funeral benefits for active and retired ministers and their families
- Paying for life insurance coverage for ministers
- Administering tax-sheltered annuity program

Mrs. Elisabeth Brunson, Private Secretary to Mr. Wessels.

Miss Hester Van Dyne prepares and mails monthly N.M.B.F. checks.

The Department of Ministerial Benevolence had its official beginning in 1919. In the first year \$311.38 was spent. Ten years later more than \$10,000 per year was being given.

From the beginning until December 31, 1963, \$5,054,016.96 was distributed. Over one million dollars of this was given through the various programs in the past two years — 1962 and 1963.

The Church does have an obligation to its “God-called” servants. Each local church participates in the fund through its N.M.B.F. budget. This Budget is formulated equally for all churches. It is “2% based on the total spent for all purposes, except monies spent for buildings and improvements and church indebtedness in the past assembly year (2% of the sum of Column 26, less Columns 1 and 2, in the pastor’s annual church financial report).”

Nazarene Servicemen's Commission

Paul Skiles, Director

The Servicemen's Commission is the contact agency of the Church with about 7,000 men who are in military service throughout the world. It is also responsible for liaison with thirty-one chaplains of the church who serve in the Army, Navy, Air Force and Veterans Administration.

Members of the Commission are: Albert F. Harper, W. T. Purkiser and M. A. Lunn. Paul Skiles is director and Dr. Hardy C. Powers the sponsoring General Superintendent.

As soon as information concerning a man's enlistment is received a "Servicemen's Kit" is sent to him. It contains various items of information which will be useful to him and an identification card to serve as an introduction to churches he may visit.

Services Provided for Military Personnel

● POST PASTORS

More than 500 pastors whose churches are located near military bases receive each month a list of those who have been stationed there. This is both a method of introduction and a contact cue for the pastor.

● PUBLICATIONS

Conquest magazine is automatically sent free to all servicemen. However, by filling out the card provided, they may also receive, free of charge, *Herald of Holiness*, *Standard*, and *Come Ye Apart*. *Other Sheep* is sent to all overseas personnel.

● SERVICEMEN'S RETREATS

With the cooperation of the military, religious retreats are provided for servicemen and their dependents stationed abroad. Nazarene retreats are conducted annually in Berchtesgaden, Germany. Occasionally they are held in the Orient as well.

LOOKING BACKWARD AND FORWARD

BACKWARD:

To scan the nineteen years of our radio history evokes praise to God, and thanks to our people and radio stations.

Our message now girdles the globe, fingering every continent and many islands of the sea. Its outreach is ever-increasing.

FORWARD:

Since it has been my privilege to direct this ministry from the beginning, and since I am now retiring, permit me to express my dreams for the future in four fields of broadcasting:

1. A dynamic evangelistic message supported by spirited Gospel singing.
2. A Bible-teaching ministry, offering Bible study courses and lending itself to a mail response from persons eager to know more of the Word of God.
3. A short feature for late evening listening, featuring the old songs of the church, comforting Bible passages, a spiritual thought for the day, or a poem of comfort or inspiration.
4. Some modest entry into the field of television.

These are not "pipe-dreams" but possible achievements, and the cost is not prohibitive. The extra programming suggested would be carried by many stations as public service features.

I pass these dreams on to my successor with the hope and prayer that they may have a real measure of fulfillment.

"SHOWERS OF BLESSING" has had a number of different speakers during the past years — FIFTY-THREE in fact, and yet Dr. Russell V. DeLong has done the major portion of the speaking. He has been near or at the top of the list in mail response. To all who have ministered, and especially to Dr. DeLong, go our heartfelt thanks.

OUR GLOBAL OUTREACH

"SHOWERS OF BLESSING"

We now broadcast on SIX HUNDRED AND EIGHT STATIONS weekly — 473 in English and 135 in Spanish.

"SHOWERS OF BLESSING" outlets are located in 49 of the United States and in 25 areas outside our country.

Last Lenten Season a total of ONE THOUSAND SEVEN STATIONS carried our English and Spanish specials; of that number 457 were EXTRA "SHOWERS OF BLESSING" outlets.

"LA HORA NAZARENA"

The scope of our Spanish radio ministry has exceeded our fondest dreams. Beginning ten years ago on 12 stations, we now broadcast on 135, 119 of which are outside the United States.

The success of the past is due largely to:

- Dr. Reza who has faithfully and efficiently proclaimed the message from week to week.
- Ray Moore and his faithful choir.
- the ever-increasing financial support given us by the missionary societies.

To each and to all of these go our sincere thanks.

*Latin America leads the world in population increase

WE LOOK TO THE FUTURE

The Church of the Nazarene placed a great deal of emphasis on Latin America during World War II. This was no accident. God was behind the scene.

Ours is a forward-looking church. It is our conviction that we have been called to serve humanity. Since 1946 our department has proclaimed "the full gospel to the whole world through the printed page" in Spanish.

We live for God and look toward the future. We cannot rest on past achievements. A forward step yesterday becomes past history today. We must move forward so we can provide an adequate solution to present world needs.

In 1964 we pause to offer our gratitude to God. With a tender heart we thrust ourselves courageously towards the future and greater victories.

To the nearly 25,000 Spanish-speaking constituency we shall render greater service in the next quadrennium. To the 404,847 Nazarenes around the world we pledge our support through an intense missionary vision and love for the lost. To our Almighty God we offer a channel through which He can work "in the Power of the Spirit."

Nazarene Information

THE OFFICE of the Nazarene Information Service (N.I.S.) for nearly seven years has had the assignment to chronicle the news story about "the people called the Nazarenes."

It has been a thrilling 7-year period for the church, with important milestones. Among these were the opening of Nazarene work in Brazil, Chile, Bermuda, the Republic of Panama, Southern Rhodesia, West Germany and Denmark.

The first Protestant church to be built in Israel since the nation was re-established in 1948 was the \$100,000 Church of the Nazarene at Nazareth. Also the Nazarenes built one of the first Protestant churches at Brasilia, inland capital of Brazil.

O. JOE OLSON
Director

Spanish Outreach

The denomination's Spanish language broadcast of "Showers of Blessing" increased to 110 stations while the English program reached a high of 425 stations.

During the 7-year period, the church grew in world membership from 335,000 to 400,000; per capita giving climbed from \$133 to \$153; and total giving from \$40,000,000 to more than \$52,000,000.

The General Board created the office of Nazarene Information in 1958, the golden anniversary year of the church. The work was set up with sponsorship in part on the top level of the general superintendency where the major decisions that spell news originate.

Professional News Copy

The services rendered by Nazarene Information have since followed well-established practices of news bureau and public relations offices. In line with best traditions of this profession, N.I.S. has made little effort to advertise the nature or extent of its operation, preferring to allow printed articles and the work to speak for themselves.

In general, N.I.S. writes and distributes articles of interest concerning Nazarenes and the Nazarene church to: 1) Nazarene editors in the U. S. and

abroad; 2) editors of 55 other holiness and evangelical bodies; and 3) to the secular media — the newspapers, press associations and broadcasting stations — as the importance of the event warrants.

A Personal Touch

By correspondence and through membership in the national Religious Newswriters Association, N.I.S. maintains relations with the 125 leading religion editors in the U. S. and Canada.

Activities of the office include:

- Operating press room services at church-wide events.
- Providing news coverage of general church affairs such as evangelists' conferences.
- Sending advance stories to newspapers on district assemblies and preachers' conferences.
- Supplying photos, mats and biographies of general church leaders and district superintendents.

Mailings to Pastors

- Annual releases to every Nazarene pastor.
- Special mailings, six times a year, of Nazarene News Briefs used by 400 pastors in weekly newsletters.
- Releases to district superintendents and editors on news stories.
- Consultations on press relations with district leaders and pastors.

A Large Task

In a progressive denomination that is seeking to win the lost to Christ, public opinion is a partner in the work of reaching and influencing persons to go God's way. The value of good press relations is indisputable.

When the office was opened, Frank Starzel, head of the Associated Press, sent congratulations and expressed the opinion that N.I.S. would succeed to the extent that it provided "useful information in a straight-forward manner."

Acknowledging reliance upon the support and guidance of the Holy Spirit, this continues to be the two-fold purpose of the *Office of Nazarene Information*.

— # # —

THE CHURCH OF THE NAZARENE

HISTORICALLY, the Church of the Nazarene dates back to the turn of the present century when three independent holiness groups sprang up: one in New England; one in California; and one in Texas, Oklahoma, and Tennessee. In 1908 representatives of these groups met in General Assembly at Pilot Point, Texas, to form what is now known as the Church of the Nazarene. United in faith and practice, the 228 churches which comprised this union followed the theological persuasion of John Wesley with his insistence on vital Christian experience and emphasizing the experience of entire sanctification or perfect love.

CHURCH GOVERNMENT for the Nazarenes is representative, combining some of the features of both episcopal and congregational forms of administration. The congregations of a given district elect delegates to represent them at the annual District Assembly. Here the district superintendent is elected, budgets are voted, and the yearly program is set in motion. Every four years the several districts elect an equal number of ministers and laymen to represent them at the quadrennial assembly of the church. This is the supreme lawmaking body of the denomination. At the General Assembly, the highest administrators are elected — the general superintendents; the general officers; the editor of the official church paper, the *Herald of Holiness*; and a representative General Board (ministers and laymen) to transact the business of the denomination between General Assemblies.

WORLD OUTREACH for the Church of the Nazarene includes more than forty-eight hundred established churches in the United States, Canada, the British Isles, and overseas home mission places. The global program of evangelism and missions touches forty additional world areas where four-hundred seventy-one missionaries and nineteen hundred national workers proclaim the saving gospel of Christ by means of preaching, teaching, and healing. Eight colleges and one graduate seminary provide training center where quality education, spiritually motivated, keeps eternal values in focus. The Nazarene Publishing House with two branches and three depositories around the world proclaims the gospel by the printed page. "Showers of Blessing" broadcast is heard over four hundred seventy-three stations in English, and one hundred thirty-five stations in Spanish. Press evangelism as reported in newspapers, magazines, and local releases, helps to create a favorable climate for the full salvation message.

In the power of the Spirit

... Let us march forward

That there is one God--
the Father, Son, and Holy Spirit.

That the Old and New Testament Scriptures,
*given by plenary inspiration, contain all truth
necessary to faith and Christian living.*

That man is born with a fallen nature, and is,
therefore, inclined to evil, and that continually.

That the finally impenitent are hopelessly and
eternally lost.

That the atonement through Jesus Christ is for
*the whole human race; and that whosoever re-
pents and believes on the Lord Jesus Christ is
justified and regenerated and saved from the
dominion of sin.*

That believers are to be sanctified wholly, sub-
*sequent to regeneration, through faith in the
Lord Jesus Christ.*

That the Holy Spirit bears witness to the new
*birth, and also to the entire sanctification of
believers.*

That our Lord will return, the dead will be
raised, and the final judgment will take place.
